

Rempstone Parish Council & Village Hall Coronavirus Working Party

Recent government advice is that those of us who are over 70 or who have health issues should self-isolate. If anyone has to take this action, it means that they would need help with shopping, getting prescriptions, walking the dog, etc. Many of us have friends and family who can do this for us. We are setting up a support service for those who don't have help on hand, and also for those who do, in case the people helping them become ill or have to self-isolate too.

Rempstone has a strong community spirit, and we're sure that there will be many people who would be willing to offer help. We recognize that the coronavirus pandemic will last for several months. Over that time, things will change, including people's ability to offer help.

At this stage, we're asking whether you need help, and/or would like to volunteer.

Fill in the form below & return it to the Village Hall postbox, or email us on RempstoneHelp@gmail.com.

**PLEASE RETURN YOUR COMPLETED FORM
AS SOON AS POSSIBLE.**
